

Dear Athletes, Coaches and Friends:

The New England Nordic Ski Association invites you and your friends to experience the NENSA Eastern Cup Series. These events are held across northern New England and represent the highest level of competition in our region. Top junior racers from our region and beyond participate in these events, vying for berths on the New England Junior National Championship Team. Team qualification is based on points accumulated at these four weekends of racing:

[Rikert Nordic Grand Prix Easter Cup Opener - December 17-18, 2022](#)

[Chisholm Ski Club Eastern Cup & Bates Carnival - January 14-15, 2023](#)

[Roy Varney Memorial Eastern Cup - February 4-5, 2023](#)

[Dublin Double Eastern Cup Final - February 18-19, 2023](#)

Further details can be found on our [Eastern Cup Event Page](#).

These weekends provide excellent opportunities for our skiing community to come together and celebrate the familial-like bond that cross country skiing provides us, whether it be cheering on your teammates, making new friends, or seeing long time friends. We hope that the festive atmosphere of these events forms warm memories for years to come. Please join us for four spectacular weekends of New England cross country ski racing and enjoy the fun skiing lifestyle.

Sincerely,

Justin Beckwith
Competitive Program Director
New England Nordic Ski Association
